Questions

AND ANSWERS

What is a Group Home?

A dwelling unit licensed by the State of Florida (State) to serve resident clients and which provides a living environment for not more than 6 unrelated residents who operate as a functional equivalent of a family. Supervisory and supportive staff as may be necessary to meet the physical, emotional, and social needs of the resident clients shall be excluded in said count (Miami-Dade County Zoning Code, Section 33-1(53.1))*.

A group home shall be permitted in a dwelling unit provided:

- That the total number of resident clients on the premises not exceed 6 in number
- That the operation of the facility be licensed by the State and a Certificate of Use (C.U.) be obtained from the Department of Planning and Zoning
- That the structure used for a group home shall be located at least 1,000 feet from another existing, unabandoned legally established group home

How do I obtain a license for a Group Home?

1. You will need to request in writing a zoning verification letter from the Planning and Zoning Information Center located at 111 NW 1st Street, 12th Floor, including the appropriate fee. For further information, call (305) 375-1808.
2. If the zoning verification letter indicates that there are no existing group homes within 1,000 feet of the subject property, then you may apply for a Certificate of Use (C.U.) at the Zoning Permits Section located at 11805 SW 26th Street. For further information, call (786) 315-2666.
3. Once a C.U. process number has been issued, the Zoning Permits Section will send a letter to the State of Florida indicating that a C.U. has been applied for.
4. You must obtain a license from the State prior to the issuance of a C.U.
5. The Department of Planning and Zoning will conduct a zoning and fire inspection to verify if the site complies with all zoning and fire prevention requirements. If the inspection is approved, you will be issued a C.U., which is renewable annually.
6. The Department of Planning and Zoning will notify the State that a C.U. has been issued for the site.
7. However, if the zoning verification letter indicates that the subject property is within 1,000 feet of another existing, unabandoned, legally established group home, then you may seek to obtain approval as a special exception after public hearing by submitting an application to the Zoning Hearings Section located at 111 NW 1st Street, 11th Floor. For further information, call (305) 375-2640.
